MUSA

Giorgio Gurioli / 2023

MUSA can be classified as a hybrid, suited to workspaces as well as to both commercial and residential settings. It's ideal for enjoying a film, focusing on a report or to burying yourself in a good book. Comfort and softness are MUSA's key features, and as soon as you see it you want to relax in its generous cushioning. To enhance the feelgood effect, the seat and back move almost imperceptibly by means of an underseat lever and can be used in conjunction with the matching pouf-cum-footstool. MUSA comes in fabric or leather with elegant feature stitchwork that highlights the harmonious shaping. The zip down the backrest is a stylishly functional feature.

High-backed lounge chair

Ideal for executive offices, lounge areas and residential settings. The backrest is in firm non-deformable structural polyurethane with its inner in flexible cold-foamed fire-retardant polyurethane and a plywood cushion insert. The seat has a black aluminum plate with swivel, tilt and a swing lock lever (1 position). The column is in lacquered steel. 4-spur black lacquered aluminum base with black nylon glides and felt floorsavers. Musa has a matching pouf with plywood panel and polyurethane foam, set off by the central stitchwork in the style of the chair's headrest.
